

**Department of Soil and Environment
Uppsala, Sweden**

This is to certify that

DR. MYKHAILO VINICHUK

*from Zhytomyr Polytechnic State University,
Ukraine*

was granted a scholarship by the Faculty of Natural Resources and Agricultural Sciences on
September 27, 2022, SLU ID: SLU.ua.2022.1.1.1-3575.

During the period from January 5 to July 5 2023 (6 credits, 180 hours) M. Vinichuk worked on several scientific projects, investigating long-term dynamics of ¹³⁷Cs in forest and agricultural environments after the Chernobyl fallout in Sweden and Ukraine.

Apart from the research, M. Vinichuk was partly involved in the teaching as an invited lecturer of Bachelor-level course in Soil Science. During his stay at the department, M. Vinichuk had an opportunity to acquaint himself with variety of programmes and courses, ranging from Bachelor's to Master's and PhD level, different research areas, and to familiarize himself with modern teaching methodologies that are practiced at the host department.

Uppsala, 2023-08-07

Johan Stendahl

Head of the Department of Soil and Environment
