## LEADERSHIP, EMPOWERMENT AND FACILITATION FOR THE FUTURE

in Pliesovce, Slovakia

from 30/10/2023 to 06/11/2023

### About the project

This project aims to create a shared knowledge base among youth workers and youth leaders so that they can work more effectively with young people around the topics of sustainability, inclusion and climate change creating quality projects. The main objective of the project is to provide youth workers and youth leaders with skills, knowledge and tools to work on sustainability and climate action topics using a holistic approach and including young people with fewer opportunities.

## LEARNING CONTEXT

The European youth programmes offer opportunities for non-formal and informal learning mobility that support the professional development of individuals involved in youth work and volunteering. Such mobility activities also promote the development and capacity-building of organisations and their systems. They support community-building, include cross-sectoral cooperation and contribute to policy implementation.
