

TRASH

- 1 - Describe the two pictures. What is happening in the pictures?
- 2 - How often do you take out the trash? Where do you put it?
- 3 - Does your country have special bins for recycling? What do you put in them?
- 4 - Where does all your trash go once it has left your home? Have you been there?
- 5 - On what days and at what time is your trash usually collected?
- 6 - Would you say that your country is clean or is there a lot of trash on the streets?
- 7 - Are there any littering laws where you live? What happens to people who litter?
- 8 - What do you think is the worst kind of trash? Why is it the worst?
- 9 - Are there any special groups or days where people clean up trash where you live?
- 10- In what ways does trash affect land animals? How about creatures in the ocean?
- 11- Are there many public trash cans or rubbish bins in your city? Should there be more?
- 12- Do you think that street cleaners are well paid where you live? Would you be one?
- 13- What kinds of things could be done to help reduce trash and rubbish?
- 14- Do you always put your litter in the bin? Have you ever thrown trash on the ground?
- 15- What are some countries or cities that you think have a lot of trash on the streets?
- 16- How can plastic and glass bottles be reused? Do you ever reuse them?
- 17- Are there recycling centers in your country? Do they pay for recyclable items?
- 18- Do you have a compost bin at home? What do you do with the compost?
- 19- What do think happens to rubbish on the streets when there is heavy rain?
- 20- Do you usually keep old furniture, throw it in the trash, or donate it to charity?
- 21- What would happen if trash was not collected from your home for 2 months?
- 22- Have you ever found something that you liked in the trash or at a garbage dump?
- 23- How can people make money from collecting trash and things people throw away?
- 24- Do you ever buy any secondhand goods? Why do you buy them?
- 25- If you found a suitcase full of money in the trash, what would you do?
